Colour Flower Freebie

This is a small design using just three colours, black, red and green. There are many ways of using a very simple pattern. It can be worked in all black with a gold bead at the centre of each flower, or all in red for Valentine's Day.

The design will fit into a card or it can be repeated to cover a larger area. However you choose to use it please remember to leave enough material around the pattern for a border.

Materials:

14 count Aida 7 x 7 inches

DMC stranded cotton
DMC 310 Black, one skein
DMC 666 Christmas Red, one skein
DMC 669 Christmas Green, one skein

Beads can be added to the centre of each flower for extra decoration.

Tapestry Needle No.24

Stitches used:

Back stitch

Method:

Start from the centre of the design working outwards. Use one strand of thread throughout for back stitch.

Note: In all embroidery of this type be very careful to weave the ends of the threads in as you go so they do not show when the embroidery is mounted.
