Stitch this mini Christmas Sampler on 28 count evenweave or 14 count Aida as a gift for someone special. As an alternative work four blackwork filler patterns in place of the letters.

Material:
Zweigart 28 count evenweave or 14 count Aida 8 x 8 inches  
To make a mini cushion cut two pieces of material 10 x 10 inches

Threads:
DMC stranded floss:  
DMC 669 Christmas green, one skein  
DMC 304 Christmas red, one skein  
DMC Light Effects E3852 Dark gold, one skein  
Tapestry needle No 24  
Small embroidery ring

Stitches used:  
Back stitch, one strand  
Cross stitch, two strands  
Eyelet stitch, one strand

Method:  
Edge the fabric to prevent fraying. Fold the fabric into four quarters to find the centre point. Mount the embroidery in the ring so that the fabric is 'drum' tight.  
1. Work the central motif first.  
2. Work the letters or fillers in turn using the colours selected. Work the holly border in two strands of floss.  
3. Place the finished embroidery face down on a soft towel and press lightly.

Small cushion - work the two pieces. Place the two pieces back to back with the embroidery inside. Machine stitch around the edge leaving a small opening to insert small cushion pad. Slip stitch closed. Add cord edging (optional)

I hope you enjoy working this design as much as I have enjoyed creating it.
