Mini Samplers

Take your favourite squares and floral motifs to create a series of mini samplers. Use just one colour, variegated threads or a range of colours. Each one will be different!

**Design size:** 6.14 x 7.86 inches, 86 x 110 stitches

**Material:**
Zweigart 28 count evenweave, or 14 count Aida 10 x 12 inches
Tapestry needle No 24, Small embroidery ring
Mill Hill glass beads – colour to suit sampler

**Threads:** DMC 909 emerald, 906 parrot green, 796 royal blue, DMC Light Effects - E3852 Dark Gold

**Stitches used:**
Back stitch - one strand, Cross stitch - two strands, Eyelet stitch - one strand

**Method:**
Edge the fabric to prevent fraying. Fold the fabric into four quarters to find the centre point. Mount the embroidery in the ring so that the fabric is 'drum' tight.

1. Work the flower motifs and links first.
2. Work the fillers in turn using the colours selected. Work the border in one strand of floss. Add the beads after the embroidery has been completed.
3. Place the finished embroidery face down on a soft towel and press lightly.
